**THE EIGHT HUNDRED AND FIFTY-SEVENTH ACT**

**ENTITLED**

**HEALTH PROFESSIONS REGULATORY BODIES ACT, 2013**

AN ACT to establish the Allied Health Professions Council, the Medical and Dental Council, the Nursing and Midwifery Council, Pharmacy Council, the Psychology Council and to provide for related purposes.

DATE OF ASSENT: 4th January, 2013.

PASSED by Parliament and assented to by the President:

**PART ONE—ALLIED HEALTH PROFESSIONS COUNCIL**

Establishment of the Council

Section 1—Establishment of the Allied Health Professions Council

(1) There is established by this Act a body corporate with perpetual succession to be known as the Allied Health Professions Council.

(2) Where there is hindrance to the acquisition of property, the property may be acquired for the Council under the State Property and Contracts Act, 1960 (CA.6[sic]) or the State Lands Act, 1962 (Act 125) and the costs shall be borne by the Council.

#### Section 2—Object of the Council

The Council is responsible for ensuring the highest standards in the practice of allied health professionals registered under this Part.

#### Section 3—Functions of the Council

To achieve the object, the Council shall

- (a) regulate the standard of services for the practice of allied health professions;
- (b) ensure that the standard of study and training in recognised institutions is maintained;
- (c) set practice standards of proficiency and conduct for allied health professionals;
- (d) register practitioners;
- (e) monitor and inspect allied health facilities in collaboration with the Health Facilities Regulatory Agency;
- (f) facilitate continuing professional development of practitioners;
- (g) determine, in consultation with the appropriate educational institutions, courses of instruction and practical training for allied health professionals;
- (h) determine and implement post registration continuing education and continuing professional development programmes for practitioners;
- (i) ensure that the education and training of allied health practitioners and other allied health care providers are carried out at approved educational institutions;
- (j) advise the Minister on matters relating to allied health practice;
- (k) conduct licencing examinations for the registration of allied health professionals; and
- (l) perform any other functions that are ancillary to the object of the Council.

#### Section 4—Governing body of the Council

(1) The governing body of the Council is a Board consisting of

- (a) a chairperson who is a registered practitioner in an allied health profession,
- (b) four registered allied health professionals nominated by the relevant allied health professional bodies,

- (c) one representative of allied health professionals from a relevant allied health training institution nominated by the training institutions,
- (d) one representative of the Ministry of Health not below the rank of a Director,
- (e) one representative of the Attorney-General not below the level of Principal State Attorney,
- (f) two persons who are not health professionals one of whom is a woman nominated by the Minister, and
- (g) the Registrar of the Council.

(2) The members of the Board shall be appointed by the President in accordance with article 70 of the Constitution.

(3) The Board shall ensure the proper and effective performance of the functions of the Council  
Registration

#### Section 5—Registration of allied health professionals and other allied health care providers

(1) A person shall not practice as an allied health practitioner or allied health care provider unless that person

- (a) is an allied health professional as specified in the Schedule; and
- (b) is registered as a practitioner in accordance with this Part.

(2) A person who seeks to be registered as an allied health practitioner or allied health care provider on any of the registers under section 8 shall

- (a) apply to the Registrar in the manner determined by the Board, and
- (b) submit to the Registrar, a qualifying certificate and any other document that the Registrar may require.

(3) The registration is valid for a period determined by the Board.

#### Section 6—Qualification for registration

(1) A person does not qualify to be registered as an allied health practitioner or allied health care provider unless that person

- (a) holds a degree in an allied health programme; or
- (b) has an equivalent qualification recognised by the Board; or
- (c) provides evidence of completion of an internship programme undertaken in an accredited allied health facility after academic training;
- (d) has passed the professional qualifying examination or other relevant qualifying modes; and
- (e) satisfies any other requirements determined by the Board.

(2) A person shall not be registered as an allied health practitioner or allied health care provider unless that person fulfils the requirements determined by the Board.

(3) A person registered by the Board shall pay the prescribed fee.

(4) Despite subsection (1) a foreign trained practitioner who renders service only for the staff of a foreign embassy or diplomatic mission is exempt from registration under this Part.

(5) A person who has obtained a higher degree or additional qualification is entitled to have the higher degree or additional qualification inserted in the register in addition to the qualification previously registered.

#### Section 7—Registration of a foreign trained person

(1) A foreign trained person who has

(a) obtained a primary qualification acceptable to the Board,

(b) passed or is exempted from the prescribed examination, and

(c) has a good working knowledge of the English language shall be registered by the Board.

(2) A foreign trained person whose qualification is not acceptable to the Board shall undergo an approved course of training in a specified approved training institution and shall pass the prescribed examination before being registered by the Board.

#### Section 8—Types of registers

(1) The Board shall have three categories of registers for the registration of practitioners namely

(a) a permanent register for practitioners who intend to practice permanently in the country;

(b) a temporary register for practitioners who intend to practice for a period of not more than three months; and

(c) a provisional register for newly qualified practitioners in order for them to practice during internship.

(2) The Registrar shall keep the registers.

(3) The form and nature of the registers shall be determined by the Board.

#### Section 9—Temporary registration

(1) A temporary registration is valid for a period of not more than three months and is renewable yearly for a period of not more than three years.

(2) A practitioner on a temporary register shall practice in an approved hospital or institution.

(3) A practitioner who contravenes subsection (2) commits an offence and is liable on summary conviction to a fine of not more than two hundred and fifty penalty units or to a term of imprisonment of not more than one year or to both.

#### Section 10—Provisional registration

- (1) A provisional registration is valid for a period of one year.
- (2) A person registered provisionally shall have obtained the requisite qualification and satisfied the other conditions determined by the Board.
- (3) A person registered provisionally shall practise only in a hospital or an institution approved by the Board.

#### Section 11—Permanent registration

- (1) A person may apply to the Registrar for permanent registration after practising for one year with provisional registration and after successfully completing internship.
- (2) The Registrar shall
  - (a) be satisfied that the applicant holds valid certificates and qualifications and has met other conditions determined by the Board, and
  - (b) if satisfied, issue a permanent registration certificate to commence practice as an allied health professional to the person.
- (3) The Board may request a practitioner to pass a pre-registration examination if considered expedient.
- (4) A permanent registration is valid for the calendar year in which it was registered.
- (5) The registration shall be renewed by the practitioner before the 31st December for the following calendar year.

#### Section 12—Suspension of registration

The Board may suspend the registration of a practitioner where

- (a) an offence or allegation of professional misconduct in relation to the practitioner is being investigated;
- (b) a false declaration has been made in an application for registration by the professional; or
- (c) the practitioner has contravened a provision of this Part.

#### Section 13—Cancellation of registration

The Board shall cancel the registration of a practitioner on the recommendation of the Disciplinary Committee of the Council where the practitioner

- (a) is convicted of an offence under this Part or the Regulations;
- (b) has lost the qualification on the basis of which the registration was made;
- (c) is sentenced to a term of imprisonment for a criminal offence; or

(d) fails to comply with the penalty imposed by the Council after due process.

#### Section 14—Annual list of allied health professionals and allied health care providers

The Registrar shall publish the list of registered allied health professionals specified in the Schedule and allied health care providers annually in the Gazette by the 31st of January each year.

#### Section 15—Removal and restoration of names from the register

(1) The Registrar shall on the directive of the Board remove from the register the name of a practitioner

(a) who is dead;

(b) whose registration has been cancelled; or

(c) who has been found guilty of misconduct prescribed in Regulations.

(2) The name of a practitioner may be restored to the register by the Registrar as directed by the Board.

#### Section 16—Representation to the Board and appeal

(1) Registration shall not be suspended unless the Board has given the practitioner at least thirty days notice of its intention to suspend the registration and has provided the practitioner an opportunity to make representation to the Board.

(2) Registration shall not be cancelled unless the Board has given the practitioner at least thirty days notice of its intention to cancel the registration.

(3) A person dissatisfied with a decision of the Board may appeal to the High Court.

#### Miscellaneous provisions

#### Section 17—Entry of premises

A person authorised by the Board may enter premises at a reasonable time

(a) to inspect the registration of an allied health facility or allied health care point, or

(b) if that person has reasonable cause to believe that an offence with respect to this Part has been, or is about to be or is being committed on the premises.

#### Section 18—Investigation by inspector

(1) The inspector may

(a) require a person on the premises to furnish information in the possession of the person concerning the activities carried out in the premises and the people who carry out the activities,

(b) inspect the premises and articles found on the premises, and

(c) take away materials or articles found on the premises.

(2) The inspector shall tender reasonable payment for a material or article taken away under this section.

(3) Despite subsection (2)

(a) payment shall not be tendered for materials or articles if the inspector reasonably suspects that the material or article is unfit for its purpose due to deterioration, impurity, adulteration or other defect;

(b) if the material or article is found to be fit, reasonable payment shall be tendered by the inspector for the portion of the material or article that is not returned to its owner in good condition; and

(c) payment shall not be tendered for a material or article if the inspector anticipates that proceedings for an offence under this Part may be brought in respect of the materials or articles.

(4) The inspector shall tender reasonable payment for the portion of the materials or articles that have been returned to the owner in good condition where proceedings are not commenced within six months.

(5) Where materials or articles are taken under this section, an inventory of the materials or articles shall be made and shall be signed by the senior allied health care professional or allied health care provider and the inspector and a copy of the inventory shall be given to the senior allied health care professional or the allied health care provider.

(6) The inspector shall seize the materials or articles that constitute an imminent danger to the public health or welfare.

(7) An inspector exercising any power conferred by this Part shall produce on demand a duly authenticated document which shows that the inspector has the authority to exercise the power.

#### Section 19—Power of closure

(1) An inspector may close premises that uses restricted materials or articles where there are grounds to believe that a health hazard may exist on the premises.

(2) The closure of the premises shall be made with the assistance of the police but where this is not possible, the closure shall be reported to the police within twenty four hours after the closure.

(3) The order in respect of the health hazard may have conditions attached as determined by the Board.

#### Section 20—Notice of change of name or address

A registered practitioner shall notify the Registrar of a change in name or address within thirty days of the change.

#### Section 21—Offences

A person who

(a) makes a false declaration in an application for registration as a practitioner;

- (b) wilfully and falsely uses a name, title or an addition implying a qualification to practice as an allied health professional;
- (c) practices or professes to practice as an allied health professional without prior registration;
- (d) fails to renew registration and continues to practice;

### PART TWO—MEDICAL AND DENTAL COUNCIL

#### Establishment of the Council

##### Section 25—Establishment of the Medical and Dental Council

(1) There is established by this Act a body corporate with perpetual succession to be known as the Medical and Dental Council.

(2) Where there is hindrance to the acquisition of property, the property may be acquired for the Council under the State Property and Contracts Act, 1960 (C.A.6) or the State Lands Act, 1962 (Act 125) and the costs shall be borne by the Council.

##### Section 26—Object of the Council

The object of the Council is to secure in the public interest the highest standards in the training and practice of medicine and dentistry.

##### Section 27—Functions of the Council

To achieve the object, the Council shall

- (a) assess facilities and contents of programmes for the training of doctors and dentists and physician assistants in training institutions;
- (b) ensure that the pre-registration training of newly qualified doctors and dentists and physician assistants in accredited training institutions meets the required standards;
- (c) conduct examinations for the registration of foreign trained medical and dental practitioners and physician assistants;
- (d) compile and keep registers of registered practitioners;
- (e) prescribe and enforce professional standards and conduct for practitioners;
- (f) conduct examinations for the registration of locally trained medical and dental practitioners and physician assistants who do not meet the prescribed conditions for registration; and
- (g) perform any other functions that are ancillary to the object of the Council.

#### Section 28—Governing body of the Council

- (1) The governing body of the Council is a Board consisting of
  - (a) a chairperson who is a registered medical or dental practitioner of good standing,
  - (b) one registered medical practitioner and one registered dental practitioner elected by medical and dental practitioners,
  - (c) one physician assistant or certified registered anaesthetist elected by physician assistants and certified registered anaesthetists[sic],
  - (d) one member who is a practitioner to represent medical and dental educational institutions which offer training,

  - (f) one representative of the Ministry of Health not below the rank of a Director,
  - (g) two other persons who are not health professionals nominated by the Minister one of whom is a woman, and
  - (h) the Registrar of the Council.

(2) The members of the Board shall be appointed by the President in accordance with article 70 of the Constitution.

(3) The Board shall ensure the proper and effective performance of the functions of the Council.

#### Registration

##### Section 29—Registration procedure

(1) A person shall not practice as a medical or dental practitioner, physician assistant or a certified registered anaesthetist unless that person is registered as a practitioner in accordance with this Part.

(2) A person who seeks to be registered as a medical or dental practitioner, physician assistant or a certified registered anaesthetist on any of the registers under section 32 shall

(a) apply to the Registrar in the manner determined by the Board, and

(b) submit to the Registrar a qualifying certificate and any other document that the Registrar may require.

#### Section 30—Qualification for registration

(1) A person does not qualify to be registered as a medical or dental practitioner, physician assistant or certified registered anaesthetist unless that person

(a) holds a primary qualification from an institution recognised by the Council, and

(b) passes or is exempted from the prescribed examination conducted by the Council.

(2) A person shall not be registered to practice as a physician assistant or certified registered anaesthetist unless that person fulfils the requirements determined by the Board.

(3) A person registered by the Board shall pay the prescribed fee.

(4) Despite subsection (1) a foreign trained practitioner who renders service only for the staff of a foreign embassy or diplomatic mission is exempt from registration under this Part.

#### Section 31—Registration of foreign trained practitioners

(1) A foreign trained medical or dental practitioner, physician assistant or certified registered anaesthetist who has

(a) obtained a primary qualification, and

(b) passed or is exempted from the prescribed examination, shall undergo training as a house officer or physician assistant or certified registered anaesthetist in an approved hospital or institution in this country with provisional registration before being registered under this Part.

(2) A foreign trained medical or dental practitioner, physician assistant or certified registered anaesthetist who satisfies the requirements of subsection 1 (a) and (b) and

(a) has completed housemanship or physician assistant internship shall undergo supervised training for a period determined by the Board; or

(b) has completed housemanship or physician assistant internship outside the country and is fully registered and licenced by that country may be exempted from supervised training in an approved hospital or institution.

(3) The Board may exempt a foreign trained medical or dental specialist, physician assistant specialist or certified registered anaesthetist from supervised training.

#### Section 32—Types of registers

(1) The Board shall have three categories of registers for the registration of medical and dental practitioners, physician assistants and certified registered anaesthetists namely

- (a) a permanent register for practitioners who intend to practice permanently in the country,
- (b) a temporary register for practitioners who intend to practice for a period of not more than three months, and
- (c) a provisional register for newly qualified and foreign trained practitioners who have passed the prescribed examination.

(2) The Registrar shall keep the registers.

#### Section 33—Temporary registration

(1) A temporary registration is valid for a period of not more than three months and is renewable yearly upon request for not more than a period of three years.

(2) A practitioner on a temporary register shall not practice except in an approved hospital or institution.

(3) A practitioner who contravenes subsection (2) commits an offence and is liable on summary conviction to a fine of not less than five hundred penalty units and not more than five thousand penalty units or to a term of imprisonment of not more than ten years or to both.

#### Section 34—Provisional registration

(1) A provisional registration is valid for the period determined by the Board.

(2) A person seeking to be registered provisionally shall, except as otherwise provided under this Part, pass the prescribed examination and satisfy other conditions determined by the Board.

(3) A person on a provisional register shall practise only in a hospital or an institution approved by the Board.

(4) A person on a provisional register who contravenes subsection (3) commits an offence and is liable on summary conviction to a fine of not less than five hundred penalty units and not more than five thousand penalty units or to a term of imprisonment of not more than ten years.

#### Section 35—Permanent registration

(1) A person may apply to the Registrar for permanent registration after practicing with a provisional registration for a period determined by the Board and after successfully completing housemanship.

(2) A permanent registration is valid for the calendar year in which it was made.

(3) The registration shall be renewed by the practitioner before it expires.

#### Section 36—Suspension of registration

(1) The Board may suspend the registration of a practitioner or a person on a provisional register where

- (a) an offence or allegation of misconduct in relation to the practitioner is being investigated;
- (b) a false declaration has been made in an application for registration under this Part; or
- (c) the practitioner has contravened a provision of this Part.

(2) Registration shall not be suspended unless the Board has given the practitioner at least thirty days notice of its intention to suspend the registration.

#### Section 37—Cancellation of registration

The Board shall cancel the registration of a practitioner on the recommendation of a Disciplinary Committee of the Council where the practitioner

- (a) is convicted of an offence under this Part or the Regulations;
- (b) has lost the qualification on the basis of which the registration was made;
- (c) is sentenced to a term of imprisonment for a criminal offence; or
- (d) fails to comply with the penalty imposed by the Council after due process.

#### Section 38—Representation to the Board and appeal

(1) A practitioner or a person on a provisional register whose application for registration is refused by the Registrar may appeal against the refusal to the Board.

(2) Registration shall not be suspended unless the Board has given the practitioner at least thirty days notice of its intention to suspend the registration and has provided the practitioner with an opportunity to make a representation to the Board.

(3) Registration shall not be cancelled unless the Board has given the practitioner at least thirty days notice of its intention to cancel the registration.

(4) A person dissatisfied with a decision of the Board may appeal to the High Court.

#### Section 39—Annual list of registered practitioners

The Registrar shall publish the list of registered practitioners annually in the Gazette by the 31st of January each year.

#### Section 40—Removal and restoration of names from register

(1) The Registrar shall on the recommendations of the Board remove from the register the name of a practitioner

- (a) who is dead,
- (b) who has been found guilty of professional misconduct by the Disciplinary Committee, or

(c) who has not paid the prescribed fee.

(2) The name of a practitioner may be restored to the register by the Registrar as directed by the Board.

#### Section 41—Notice of change in name or address

A registered practitioner shall notify the Registrar in writing of a change in name or address within thirty days of the change.

#### Section 42—Insertion in register of additional qualifications

A practitioner who has obtained a higher degree or additional qualification recognised by the Board, is entitled to have the higher degree or additional qualification inserted in the register in addition to the qualification previously registered, upon payment of a fee determined by the Board.

#### Section 43—Rights conferred by registration

A medical or dental practitioner, except a house officer registered under this Part, may

(a) practice medicine or dentistry,

(b) subject to the provisions of any enactment, prescribe and store dangerous and restricted medicines, and

(c) sign a certificate or document required by law to be signed by a practitioner.

#### Section 44—Unregistered practitioner

(1) A person who is otherwise qualified but not registered as a medical or dental practitioner or physician assistant may, with the authorisation of the Minister under an emergency carry out medical or dental procedures.

(2) A person who acts contrary to subsection (1) commits an offence and is liable on summary conviction to a fine of not more than five hundred penalty units or to a term of imprisonment of not more than two years or to both.

#### Miscellaneous provisions

#### Section 45—Entry of premises

A person authorised by the Board may enter premises at a reasonable time

(a) to inspect the registration of a medical or dental facility; or

(b) if that person has reasonable cause to believe that an offence with respect to this Part has been, or is about to be or is being committed on the premises.

#### Section 46—Investigation by inspector

(1) The inspector may

- (a) require a person on the premises to furnish information in the possession of the person concerning the activities carried out in the premises and the people who carry out the activities,
  - (b) inspect the premises and articles found on the premises, and
  - (c) take away materials or articles found on the premises.
- (2) The inspector shall tender reasonable payment for a material or article taken away under this section.
- (3) Despite subsection (2)
